## NGUNI DOMES

**DISCLAIMER:** Kindly take note that because we make use of genuine Nguni hides, the colouration and pattern on each Nguni Dome is unique. The images shown are merely examples of our Nguni Domes which are a part of our product offering. As a result, the Nguni Domes you receive will be different to these images. Please contact your nearest depot to have images of the actual Nguni Domes they have in stock sent to you before ordering. This will enable you to give your customer an accurate representation of the product.
